In lieu of a dedicated rain light, standard automobile driving lights will suffice to comply with this Rule.

- 2.10.1.4.2 The Clerk of the Course may choose to use the course marshal vehicle for a minimum of one (1) observation lap at the commencement of a session to show all Drivers the current Circuit condition.
- 2.10.1.5 The Clerk of the Course may at his discretion have each flag point display a Stationary Yellow Flag to signal there is **NO passing** for the first lap of any session.
- 2.10.1.6 Vehicles will be released from pit lane exit, **in one (1) line & must remain in that order until they have crossed the control line for the first time.** The timing of the nominated lap time will commence after the vehicle crosses the control line for the first time and will finish after the vehicle crosses the control line after the scheduled maximum time. All vehicles will then exit the Circuit via the Mountain straight Gate.
- 2.10.1.7 The Marshalling Area is adjacent to Pit Lane Garage 1, refer to Paddock map Attachment H. All vehicles will be called to the Marshalling Area to be placed in respective nominated time order. When directed by Race Control all vehicles in the Marshalling Area will be released onto the circuit via the pit lane exit.
- 2.10.1.8 Any vehicles that **DO NOT** proceed to the Marshalling Area and proceed directly from their garage into pit lane and exit pit lane onto the circuit, will be Black Flagged and be directed back to the Marshalling Area and have their fastest time deleted.
- 2.10.1.9 Any driver causing a session to be stopped by means of the red flag, will be required, in the case of mechanical failure, present to scrutineering for the vehicle to be further checked. Additionally provide evidence to the Chief Scrutineer that the vehicle is in a condition such that a mechanical breakdown is unlikely to further occur. This must be done before the driver and vehicle can return to the circuit again.

2.10.2 Regularity Specific:

- 2.10.2.1 Penalties:
- 2.10.2.1.1 Any Driver that records a lap time under the minimum nominated lap time (**two minutes thirty six (2.36)**) by the Organiser or is deemed by the Clerk of the Course to be racing will be **Black Flagged** and will not be permitted to take any further part in that session. All times will be deleted from that session and 10,000 penalty points will be added to their trial tally.
- 2.10.2.1.2 All Drivers will commence with Zero penalty points. Time penalty points apply as follows:
One (1) penalty point per 0.1 second above the nominated time.
Two (2) penalty points per 0.1 second under the nominated time.
- 2.10.2.1.3 Any vehicle that does not start in their nominated session will have 20,000 penalty points added to their trial tally.

- 2.10.2.1.4 Any driver that fails to reduce speed when a **RED** flag is displayed, or over taking under **Waved Yellow Flags** 10,000 penalty points will be added to their trial tally per breach.
